

Custom CNC Machined Metal Parts Precision Manufacturing Services Anodized Steel Components

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Lead Time: 7-15 Days
- Delivery Method: DHL, FedEx, UPS, Etc.
- MOQ: 1 Piece
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Application: Automotive, Aerospace, Medical, Etc.
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- OEM/ODM: Acceptable
- Processing Method: CNC Machining, Turning, Milling, Etc.
- Highlight: **Precision Manufacturing CNC Machined Metal Parts**
, Custom CNC Machined Metal Parts

Product Description

Product Description:

We offer a variety of packaging options for our CNC Machined Parts, including standard export cartons or customized packaging, depending on your needs. Our parts are carefully packaged to ensure that they arrive at your doorstep in pristine condition. Our CNC Machined Parts are manufactured to your exact specifications, and we accept drawing formats such as PDF, DWG, IGS, STEP, and more. We understand the importance of precision and accuracy when it comes to CNC-manufactured components, and our team of experts take great care to ensure that your parts meet the highest standards of quality.

Whether you need a single part or a large quantity, we are here to help. Our OEM/ODM services allow us to customize our CNC Machined Parts to meet your specific needs. We take pride in our ability to provide top-quality parts that are tailored to your exact requirements.

When it comes to delivery, we offer a variety of options to ensure that your parts arrive on time and in good condition. We work with trusted shipping carriers such as DHL, FedEx, UPS, and others to provide fast and reliable delivery to our customers.

Trust us to provide you with high-quality CNC-manufactured components that meet your exact specifications. Contact us today to learn more about our CNC Machined Parts and how we can help you with your industrial needs.

Features:

Product Name: CNC Machined Parts

Delivery Method: DHL, FedEx, UPS, Etc.

MOQ: 1 Piece

Surface Treatment: Anodizing, Plating, Painting, Etc.

Material: Aluminum, Steel, Brass, Etc.

Lead Time: 7-15 Days

Our CNC Machined Parts are computerized numerical cutting parts that are manufactured using computer-aided manufacturing technology. These Computer-Numerically-Controlled parts are available in a variety of materials, including aluminum, steel, and brass, and can be treated with anodizing, plating, painting, and more. We offer fast delivery with DHL, FedEx, UPS, and other methods, and have a low MOQ of just 1 piece. Our lead time is 7-15 days, ensuring that you receive your parts quickly and efficiently.

Technical Parameters:

Product Name:	Computer-aided machining parts
Size:	Customized
Processing Method:	CNC Machining, Turning, Milling, Etc.
Application:	Automotive, Aerospace, Medical, Etc.
Lead Time:	7-15 Days
Surface Treatment:	Anodizing, Plating, Painting, Etc.
Delivery Method:	DHL, FedEx, UPS, Etc.
OEM/ODM:	Acceptable
Material:	Aluminum, Steel, Brass, Etc.
Drawing Format:	PDF, DWG, IGS, STEP, Etc.
Tolerance:	±0.01mm

Applications:

Our model number 1X893 is a versatile product that is customized according to your requirements. It can be used in a wide range of applications such as Automotive, Aerospace, Medical, and more. Our products are made in Guangdong, China, and are certified for quality assurance.

Our CNC Machined Parts are surface-treated with Anodizing, Plating, Painting, and other methods to ensure the highest quality and durability. We offer a minimum order quantity of 50 pieces, with a price range of \$2.35 - \$12.68 per piece.

Our products are carefully packaged using EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton for safe delivery. We guarantee timely delivery within the agreed time frame and offer flexible payment terms to suit your needs.

Our supply ability is 1000000 Piece/Pieces per Month, and we offer quality control with 100% inspection before shipment. Our OEM product line is also available for custom orders with a minimum quantity of 1 piece.

Our products are designed to meet the demands of modern industries and are used in various scenarios such as the production of machinery, electronics, and automotive parts. With our Computerized Numerical Cutting parts, CNC-manufactured components, and Computer-aided manufacturing parts, you can be sure of quality and durability.

Customization:

yuanwenyu , offers high-quality CNC machined parts that are made in Guangdong, China. Our products are available in

model numbers 1X893 and OEM and are certified for quality. Our minimum order quantity is 50 pieces and the price ranges from \$2.35 to \$12.68 per piece. We use EPE foam, anti-rust paper, stretch film, plastic bags, and cartons for packaging. We can deliver the products within 1 day, and our payment terms are flexible. We have a supply capacity of 1000000 pieces per month and our processing methods include CNC machining, turning, milling, etc. Our products are available in PDF, DWG, IGS, STEP, and other drawing formats. We accept OEM/ODM orders and the lead time for our products is 7-15 days. Our products come in customized sizes and are perfect for computer-controlled machining parts, computer-controlled machining parts, and numerically-controlled machining parts.

Support and Services:

In addition to technical support, we also offer a range of services to help our customers get the most out of our products. These services include custom machining, design assistance, and prototyping. Our experienced team of engineers and technicians are equipped with the latest technology and tools to deliver high-quality results in a timely manner.
