

Customizable Wooden Cnc Parts Cnc Wood Shapes Finished With Painting And Polishing

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc707

Product Specification

- Size: Customized
- Shape: Customized
- Lead Time: 7-15 Days
- Surface Treatment: Painting, Polishing, Etc.
- Process: CNC
- Color: Customized
- OEM/ODM: Accepted
- Package: Carton, Wooden Pallet, Etc.
- Highlight: **Painting Wooden Cnc Parts,
Customizable Wooden Cnc Parts,
Finished Wooden Cnc Parts**

Product Description

Product Description:

Our wooden machined parts are perfect for a range of applications including furniture making, cabinetry, and more. With our CNC technology, we can create custom parts that are tailored to your exact specifications. Whether you need a unique shape, size, or color, we can deliver the parts that you need.

We offer a range of wood materials to choose from including oak, maple, cherry, and more. Our team of experts can help you select the perfect wood material for your project and can provide recommendations on the best color and finish options to enhance the natural beauty of the wood.

Our lead time for wooden computer cut parts is 7-15 days, so you can expect a fast turnaround time without sacrificing quality. We understand the importance of timely delivery and we strive to meet our customers' deadlines with every order.

In addition to our standard wooden machined parts, we also offer OEM and ODM services for customers who require customized solutions. Our team of engineers and designers can work with you to create unique parts that are tailored to your specific needs and requirements.

Contact us today to learn more about our selection of CNC wood parts and to get started on your next project.

Features:

Product Name: CNC Wood Parts

Process: CNC

Tolerance: ± 0.1 mm

Package: Carton, Wooden Pallet, Etc.

Lead Time: 7-15 Days

Shape: Customized

Looking for Wooden CNC Parts or CNC Wood Shapes? Look no further than our Computer Numerical Cut Parts, made with precision and customizable shapes to fit your needs.

Technical Parameters:

Product Name	CNC Wood Components
Material	Wood
Process	CNC
Surface Treatment	Painting, Polishing, Etc.
Size	Customized
Shape	Customized
MOQ	1 Piece
Tolerance	± 0.1 mm
OEM/ODM	Accepted
Package	Carton, Wooden Pallet, Etc.
Lead Time	7-15 Days

Applications:

These Wooden CNC Parts have a tolerance of ± 0.1 mm, ensuring precision and accuracy in every piece. The lead time for manufacturing and delivering these CNC Cut Wood Pieces is 7-15 days, making it an ideal choice for those on a tight schedule.

The ywy CNC Wood Parts have a wide range of applications, making it a versatile product. One of the most common applications is in furniture manufacturing. These CNC Cut Wood Pieces can be used to create a variety of furniture pieces, including tables, chairs, cabinets, and more. The precision of the Wooden CNC Parts ensures a perfect fit, resulting in a high-quality finished product.

Another popular application for the ywy CNC Wood Parts is in home decoration. These CNC Cut Wood Pieces can be used to create unique and personalized decor pieces, such as wall art, picture frames, and more. The precision and accuracy of the Wooden CNC Parts allow for intricate and detailed designs to be created.

Overall, the ywy CNC Wood Parts are an excellent choice for those in need of precision CNC Cut Wood Pieces. With a wide range of applications and a variety of surface treatment options, these Wooden CNC Parts are perfect for furniture manufacturing, home decoration, and more.

Customization:

Looking for customized wooden machined parts? Our ywy cnc707 wood CNC machinery can create any CNC wood shapes to fit your specific needs. All of our products are made in guangdonghuizhou and have a minimum order quantity of 1 piece with a lead time of 7-15 days. We provide various packaging options such as carton, wooden pallet, etc. Our CNC wood parts are perfect for furniture, home decoration, and more. Contact us today to get started on your custom project!

Support and Services:

The CNC Wood Parts product comes with comprehensive technical support and services to ensure that our customers get the most out of their purchase. Our team of experienced technicians are available to assist with any technical issues or questions that may arise. We offer product installation assistance, troubleshooting, and maintenance services to ensure that your CNC Wood Parts are always functioning at optimal levels. Additionally, we offer training and education services to help our customers learn how to best utilize our products for their specific needs. Our goal is to provide the highest level of support and service to our customers, so that they can achieve their business goals with confidence.

Packing and Shipping:

Product Packaging:

Our CNC wood parts are carefully packaged using high quality materials to ensure they arrive at your doorstep in perfect condition. Each part is individually wrapped in bubble wrap and placed in a sturdy cardboard box with packing peanuts or foam inserts for added protection.

Shipping:

We offer worldwide shipping for our CNC wood parts. Shipping costs vary depending on the destination and the weight and size of the package. We use reliable and trusted shipping carriers to ensure your package arrives safely and on time.
