

## Medical Aluminum CNC Machined Components With UPS Delivery Available

Our Product Introduction

for more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

### Product Specification

- Tolerance:  $\pm 0.01\text{mm}$
- Quality Control: 100% Inspection Before Shipment
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- OEM/ODM: Acceptable
- Material: Aluminum, Steel, Brass, Etc.
- Size: Customized
- Application: Automotive, Aerospace, Medical, Etc.
- Lead Time: 7-15 Days
- Highlight: **UPS Delivery Aluminum CNC Components, Medical CNC Machined Components, Aluminum CNC Machined Components**

## Product Description

### Product Description:

The CNC Machined Parts are manufactured according to your specifications and requirements. We accept Drawing Formats such as PDF, DWG, IGS, STEP, and other formats to ensure that we meet your needs. Our team of experienced engineers and technicians work closely with you to ensure that your design is translated into a finished product that is of the highest quality.

We have a MOQ of 1 piece for our CNC Machined Parts to cater to different needs and requirements. We understand that each project is unique, and we work to ensure that we provide the best solutions to meet your needs.

We offer various Surface Treatment options for our CNC Machined Parts, including Anodizing, Plating, Painting, and other surface finishes to enhance the appearance of the parts and improve their durability. Our team of experts ensures that the surface treatment is of the highest quality and meets your needs.

Our CNC Machined Parts are packed using Standard Export Cartons, and we also offer Customized Packaging solutions based on your needs and requirements. We ensure that the parts are well-packaged to prevent any damage during transportation.

In summary, our CNC Machined Parts are high-quality, computer-controlled machining parts that are manufactured with precision and accuracy. We offer a MOQ of 1 piece, accept various Drawing Formats, and offer Surface Treatment options to enhance the appearance and durability of the parts. Our standard packaging is with Standard Export Cartons, and we also offer Customized Packaging solutions to cater to your specific needs.

### Features:

Product Name: CNC Machined Parts

Drawing Format: PDF, DWG, IGS, STEP, Etc.

MOQ: 1 Piece

Processing Method: CNC Machining, Turning, Milling, Etc.

Lead Time: 7-15 Days

OEM/ODM: Acceptable

Our CNC Machined Parts are computerized machining parts that come in a variety of drawing formats including PDF, DWG, IGS, STEP, and more. We have a low MOQ starting at just 1 piece and offer processing methods such as CNC machining, turning, milling, and more. With a lead time of 7-15 days, we offer quick turnaround times to meet your needs. We also accept OEM/ODM requests for CNC-machined components.

### Technical Parameters:

|                   |                                       |
|-------------------|---------------------------------------|
| Lead Time         | 7-15 Days                             |
| Processing Method | CNC Machining, Turning, Milling, Etc. |
| Size              | Customized                            |
| MOQ               | 1 Piece                               |
| OEM/ODM           | Acceptable                            |
| Application       | Automotive, Aerospace, Medical, Etc.  |
| Tolerance         | ±0.01mm                               |
| Surface Treatment | Anodizing, Plating, Painting, Etc.    |
| Delivery Method   | DHL, FedEx, UPS, Etc.                 |
| Drawing Format    | PDF, DWG, IGS, STEP, Etc.             |

Our company specializes in producing numerically-controlled machining parts, computerized machining parts, and computer-numerically-controlled parts.

### Applications:

Our CNC machined parts are versatile and can be used in a wide range of application occasions and scenarios. They are commonly used in the automotive, aerospace, and medical industries, as well as in electronics and machinery. Our parts are designed to meet the needs of customers who require high precision and quality in their products.

Our CNC machined parts are certified to meet international standards, ensuring their quality and safety. The minimum order quantity for our CNC machined parts is 50 pieces, and the price ranges from \$2.35 to \$12.68 per piece, depending on the specifications and quantity ordered. Our packaging details include EPE foam, anti-rust paper, stretch film, and plastic bags, which are then packed into standard export cartons or customized packaging as per the customer's requirements.

We offer fast delivery times, with a delivery time of 1 day. We offer flexible payment terms to our customers, and our supply ability is 1000000 Piece/Pieces per Month. Our CNC machined parts undergo various processing methods such as CNC machining, turning, milling, and more. They are also treated with surface treatments such as anodizing, plating, painting, and so on. We also accept

OEM/ODM orders to meet the specific needs of our customers.

We deliver our CNC machined parts using reliable carriers such as DHL, FedEx, UPS, and more. Our CNC machined parts are made with precision and attention to detail, and we are committed to providing our customers with high-quality products that meet their specific needs. Contact us today to learn more about our CNC machined parts and how we can help you with your manufacturing needs.

## Customization:

Our model number 1X893 is available for OEM orders, with a minimum order quantity of 50 pieces. Pricing ranges from \$2.35 to \$12.68 per piece depending on your customization requirements.

Located in Guangdong, China, we have a supply ability of 1000000 Piece/Pieces per Month and a lead time of 7-15 days. We offer packaging details such as EPE foam, anti-rust paper, stretch film, plastic bag, and carton.

Our precision machined parts are suitable for various applications such as automotive, aerospace, medical, and more. You can choose from our delivery methods such as DHL, FedEx, UPS, and more.

Trust yuanwenyu for your CNC-manufactured components and let us help you with your product customization needs.

## Support and Services:

Our CNC machined parts go through a rigorous quality control process to ensure that they meet the highest standards. We offer technical support to assist with any troubleshooting or questions you may have about the product. Additionally, we provide services such as custom designs and modifications to meet your specific needs. Our team of experts is dedicated to providing the best service possible to our customers.

## Packing and Shipping:

Product Packaging:

Each CNC machined part will be packaged individually to ensure protection against scratches and damage during transit. The parts will be placed in a sturdy box with appropriate cushioning materials to prevent movement during shipping.

Shipping:

We will ship the CNC machined parts via reliable shipping carriers to ensure timely delivery. Shipping fees will be calculated based on the weight and destination of the package. Customers will receive a tracking number to monitor the status of their shipment.

## FAQ:

What is the brand name of the CNC Machined Parts?

The brand name of the CNC Machined Parts is yuanwenyu.

What are the available models for the CNC Machined Parts?

The available models for the CNC Machined Parts are 1X893 and OEM.

Where is the place of origin of the CNC Machined Parts?

The place of origin of the CNC Machined Parts is Guangdong, China.

What certifications do the CNC Machined Parts have?

The CNC Machined Parts have one certification.

What is the minimum order quantity for the CNC Machined Parts and what is the price range?

The minimum order quantity for the CNC Machined Parts is 50 pieces. The price range is between \$2.35 to \$12.68 per piece, depending on the model and quantity.

What are the packaging details for the CNC Machined Parts and how long is the delivery time?

The packaging details for the CNC Machined Parts are EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton. The delivery time is 1 day.

What are the payment terms for the CNC Machined Parts and what is the supply ability?

The payment terms for the CNC Machined Parts are not specified. The supply ability is 1000000 Piece/Pieces per Month.
